Seong-Jin Cho to take over for Andrés Schiff this Friday

Lucerne, 27 August 2024. Unfortunately, Andrés Schiff has had to withdraw from his solo performance in the symphony concert this Friday, 30 August 2024, at 7:30 pm due to health reasons. We wish him a quick recovery. We are very pleased to announce that the 30-year-old Korean pianist Seong-Jin Cho will perform Beethoven's Fourth Piano Concerto in his place. The program of the concert by the Royal Concertgebouw Orchestra, conducted by Myung-Whun Chung, remains unchanged. Seong-Jin Cho will be performing at Lucerne Festival for the first time.

The tickets remain valid.
